In re Application of : DECISION ON PETITION TO  
Delansorne et al. : WITHDRAW THE HOLDING  
Serial No.: 09/787,436 : OF ABANDONMENT  
Filed: March 27, 2001 :  
Attorney Docket No.: 01056 :

This is in response to applicants' petition under 37 CFR § 1.181(a) filed on July 23, 2004, requesting withdrawal of the holding of abandonment based on the timely filing of a response to the Office action mailed January 28, 2003.

A review of the file history shows that the examiner mailed an Office action (restriction requirement) to applicants on January 28, 2003, setting a one-month statutory time period for reply. On September 26, 2003, the examiner mailed a notice of abandonment for failure to respond to the outstanding Office action.

Applicants state that a response to the Office action was timely filed on February 26, 2003, as evidenced by a copy of the receipt card showing receipt of the response by the USPTO on February 26, 2003. Applicants also provide a copy of the response to the Office action with the petition. In view of this evidence, applicants are considered to have submitted a timely reply.

Applicants' petition is **GRANTED**. The application is restored to pending status with the mailing date of this decision and will be forwarded to the examiner for consideration of the elected invention on the merits.
